2021-2022 SCHOLARSHIPS

ELMIRA K. BEYER Ph. D

In 1982, she earned a Ph. D. from Oregon State University and had a long career as an innovative educator.

In 1986 she retired to Port Townsend, where she became a well-recognized community leader. She served as president of AAUW Port Townsend Branch 1992-1994.

It was under her leadership that we established our non-profit foundation, the University Women's Foundation of Jefferson County (UWF), for the purpose of endowing a scholarship fund for women returning to continue their education

MELANIE BAKIN

Constance Anna Pash was born in 1908. She majored in **Chemistry** for under-graduate and graduate work. Her stories of her scientific interests and inquisitiveness inspired her family, especially the women. A niece went into Chemistry, her son into Economics, her daughter, our **AAUW PT member Virginia Thompson**, took a Masters degree in Statistics.

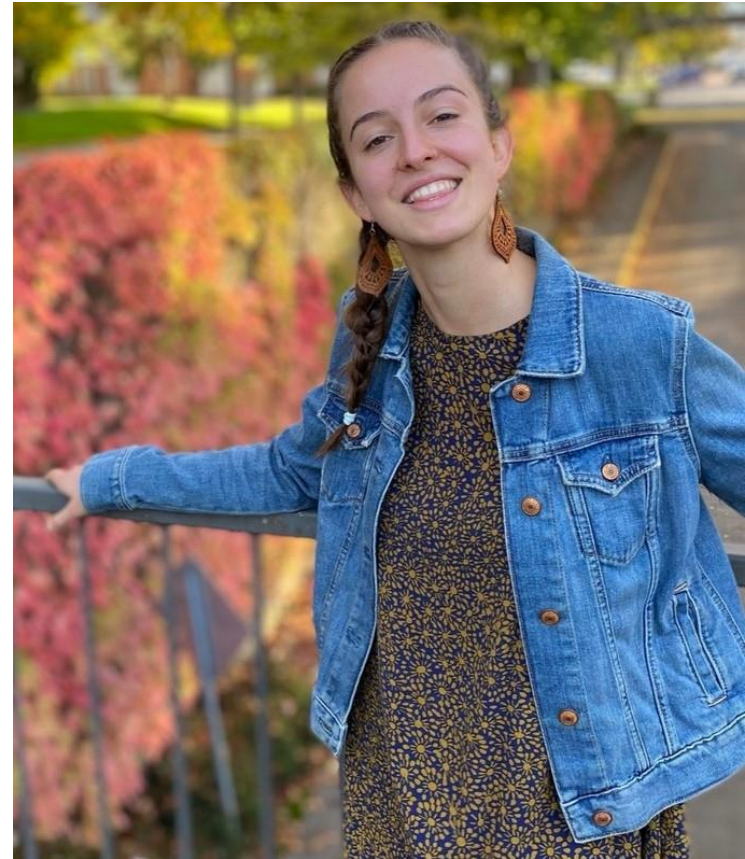

In honor of her mother, Virginia created the endowment fund for women pursuing STEM degrees.
