Technical Career Endowed Scholarship 2024 Criteria

- This award of up to **\$5,000** will be made to a woman for tuition, fees, and equipment. It may be used at any accredited educational institution.
- The woman must be enrolled in a program of study that results in a technical certification.
- The award will be submitted to the educational institution upon confirmation by the institution of enrollment. If the woman has not enrolled by the second term of the school program, the scholarship will be void. Payment will be made directly to the educational institution.
- The woman must be a resident of East Jefferson County, WA.
- Award of the scholarship will be based on:
 - Educational and professional goals
 - Financial need

Applications are available on the AAUW Port Townsend website, aauwpt.org, under the scholarship button, and must be returned **postmarked by March 8, 2024**.

Applicants will be evaluated according to the following:

1. Completed application, including:
 - a. A formal confirmation of enrollment.
 - b. Projected date of graduation.
 - c. Amount of tuition needed for the coming year.
 - d. Your proposed budget to cover education costs in the coming year.
2. A brief summary of up to two pages describing your educational goals, your career plans, and any other information you wish to share.
3. Three (3) letters of recommendation sent directly to UWF.

The UWF Scholarship Committee may select finalists for interviews; the winner will be selected in April. Applicants should not be an immediate family member of the UWF scholarship committee.

Contact UWF at uwfscholarship@aauwpt.org for further details.

The scholarship award will be presented at the UWF Scholarship Reception on **May 11, 2024**.
